Authors' Notes

I want to take this opportunity to thank NiRECA for all of their cloning expertises.

I also want to tahnk Nick NIrECA because he is dangerous. Thanks

Mission Statement

The mission of **stat ov cluning** is to make nIRECA not dead. What more can I say?
Thanks.

Statement of Limitations

There are no limitations. I am all powerful. Listen to me and me only. Thanks!

Methodology

We methoded in 3 ways today:

1. Don't get on Nick NIREcA's bad side.
2. Think ov everything we can think ov.

Current stat ov cluning

1.1 Overview ov cluning

Okay, I know I'm supposed to talk about uning clubs, but can we please address the elephant in the room: our logo is fantastic.

Anyway, yes, cluning is big. There are at least two teams. Check out this map:

Here at **stat ov cluning**, we believe uning clubs are unique and awesome. Keep up the great work! thanks

Thanks

Club meony

2.1 The Cost ov uning a uning club

Have you ever thought about : “Woah, how much meony can my uning club spend?” that’s a god question. Think about it: if you get \$50 from Steve, and \$25 from Kiara, that’s at least \$60 as long as you don’t lose it on the way home. It’s really important not to drop the meony in:

- the mud
- a puddle
- a puddle with mud at the bottom
- fire
- sour cream
- lava (shoutout Minecraft!)
- a pile of other meony for a different thing because then it may look like too many Abraham Lincolns and you could get scared

Let me tell you a story: once upon a time, a uning club (we can call it A) hosted a uning invitational. One ov the clubs attending (called B) didn’t want to pay to un. So they didn’t. What happened? Nothing. Then, when club B hosted club A at their invitational, club A didn’t pay either. See? If you are smart, nobody has to pay any moeny, meaning we can make cluning free!

Let’s make cluning free!

Chapter 3

Club Numbers

3.1 Fast or slow?

Your uning club will be full ov fast people and slow people. There is no in between. Here is a vem diagram

fast people on left, slow people on right.

Make sure to remember that! Thanks

Now, let's do a thot experiment: say you have fourteen fast people and 15 slow people. That's more slow than fast, not good! Now let's say you have even just 1 slow people. THEN that's still TERRIBLE! Think about it: they'd be better if they were fast. Therefore, make it ILLEGAL for slow people to look at you. Now your club mumbership will be perfect and not toxic.

3.2 New numbers

In order to attract fast people, say this: "I am uner. You can be too! But not if you're slow." That way, everyone will hear you, but only fast people will come. That is a sure fire way to get only fast people. But if you want turbo fast, then you have to give incentive. This could be bananas or penny stocks. Thanks!

Club Leadlership

4.1 Leadler expectations

As club leadlers, you will have to do work. But if you aren't the President, then you can just have the President do it. But if you are the President, you can employ *passive aggressioniveness* until other leadlers feel guilty enough to do the work. That is balance.

When it comes time to be done with job, here's a trick: YOU DON'T HAVE TO COME ANYMORE! That's right. Think about it!!! Are you no longer a leadler? STOP COMING!!!!!!!!!!

Thanks

4.2 COach??

I don't care!

4.3 Speeches

In our grand quest towards development and success, a leader will invariably sacrifice themselves for the benefit of others. The supreme quality for leadership is unquestionably integrity. The greatest leader is not necessarily the one who does the greatest things. They are the one that gets the people to do the greatest things.

↑↑↑ That's sumthing you can say in your speech to make people vote for you ↑↑↑

All of that was BS. The best leadlers are the most popular numbrs, the ones with the best smiles, and the ones who are good at pretending to be friends with everyone!

Diversty

5.1 I'm white & male

That's means I'm very qualified to talk about this. Tahankss

5.2 How to get more wumenn

Wumenn are just like menn, except they DON'T WANT TO JOIN YOUR TEAM. Wumenn don't like it when you are mean. apparently. Diversty is important because it makes parties more fun and maybe you can learn a new language????? Keep this in mine.

Tile 9 will arrest you if you make Yo mama jokes! Beware! thanks

Uning clubs have 60% menn. The Nawtheest is 69% male. Nice.

NIRecA Listen!

We don't appreciate when you don't listen >: (

PLEASE ListenE! I think that you should make the NICRAE half marathom be 10 miles because 13.1 is too long! You should also let everyone be in the Cahmpionshipi race becasue it's not nice to exclude people (see our section on Diversty, but don't see our section on Fast or slow. Also, who put NRIECA in charge? Put me in charge!!!!!!!!!! Thanks

Also, let's all agree: Mississippi sucks. So does Louisiana. Dont' let ANYONE join NIRAACE from there. I dont' know, maybe charge them a trilliond ollars!!!!!! Haha-haha

NARNIA is great, thanks for all you do! Tnahks!

Conclusion

I hope you liked o ur reeport about the **stat ov cluning!**

Wait a mimute. You're telling me that NIRCeAa paid Oregom meony for their reeport in 2009? Where is my meony NIREECA!?
